

## Danny Butt

---

### President Business Improvement

Danny Butt is responsible for Linfox's business improvement across Australia and Asia.

Business Improvement will assist in driving Linfox's continuous improvement processes for all our customer operations. These processes supported our previous success and are important for the achievement of Linfox's 2015 Strategy.

Danny is qualified as a Surveyor and Mining Engineer. He has more than 25 years experience in the logistics industry and joined Linfox Logistics when it purchased Mayne Logistics where he was General Manager of Armaguard.

Danny has held senior positions at Linfox in the Retail Business Unit, Operations and managed our successful integration with Westgate Logistics. Prior to his appointment as President Business Improvement, Danny was President of the Linehaul Business Unit.

Away from Linfox, Danny is a dedicated family man and avid gardener.
