

Brendan O'Sullivan

Acting President Resources & Industrial Business Unit

Brendan O'Sullivan is responsible for the Resources & Industrial Business Unit across the Asia Pacific Region and is based in Melbourne.

Brendan leads the development of supply chain solutions for customers in five key industry sectors: Petroleum & Chemicals; Industrial & Print; Resources East; Mining West and Energy West as well as business development.

He joined Linfox in April 2007 as the General Manager Finance & Commercial, Resources & Industrial and currently holds that position.

Brendan's career commenced with BHPB where he obtained a wide range of finance, commercial and operational experience. He has also worked for the Australian Wheat Board and Virgin.

He completed a Bachelor of Business (RMIT) and an MBA (Cass Business School London and Melbourne Business School). He is also accredited through the CPA and has completed a General Management Program at Harvard.

Brendan received the CEO's Award in 2009 for leading significant change in reporting, business performance improvement as well as winning and development.

He enjoys sport, including golf as well as reading. Brendan is married with three young children.
