

Danny Butt

President Linehaul

Danny Butt is responsible for Linfox's Linehaul operations across Australia.

Danny oversees an operation providing interstate transport by road, rail, sea and air as well as international freight forwarding. These services are available to all Linfox customers, including those in the FMCG, Retail and Industrial Business Units and Linehaul's own customer base.

Linehaul has operations in each Australian state and has a powerful strategic network of rail freight forwarding centres, ensuring customers benefit from the most efficient intermodal options for their transport needs.

Danny is qualified as a Surveyor and Mining Engineer. He has more than 25 years experience in the logistics industry and joined Linfox from Mayne Logistics where he was General Manager of Armaguard. Danny has held senior Linfox positions in the Retail Business Unit, Operations and managed our successful integration with Westgate Logistics.

Away from Linfox, Danny is a dedicated family man and avid gardener.
