

Kathryn Fagg

President - Fast Moving Consumer Goods (FMCG)

As President - FMCG, Kathryn Fagg is responsible for delivering supply chain solutions for the food, personal care, dairy, tobacco, beverage, pharmaceutical and health care product sectors.

Providing sophisticated warehouse and transport operations to some of the Asia Pacific region's leading FMCG businesses, Kathryn oversees a team of more than 4,700 employees working across eight countries. She is also responsible for strategic development of business in key Linfox markets in India, Indonesia and Vietnam.

Before joining Linfox, Kathryn was President, BlueScope Steel Asia and Chairman of the Tata BlueScope Steel joint venture in India.

Kathryn has also held senior management positions with the ANZ Bank and leading global management consultancy, McKinsey & Co. She originally commenced her professional career as a petroleum engineer with Esso Australia.

Kathryn has a chemical engineering degree from The University of Queensland and a commerce masters from the University of NSW.

Kathryn is married with one son.
